

Parkland's MCCA presents a full day of learning:

When: Saturday May 5th, 2018 **Where:** ACC Dauphin- 520 Whitmore Ave E, Dauphin MB

In Manitoba and Canada, those who work in early learning and child care environments have a Code of Ethics to guide our standards of practice. Using this code is a professional obligation. This four part series occurs in a specific order, with each workshop a pre-requisite for the following session. The series helps us to use this code in our daily practice and continues to receive rave reviews. Here's your chance to join us in some serious fun!

BEST CHOICES: ETHICS PART IV This capstone workshop will help you to make a commitment of ethical practice in your daily work and enhance your awareness of your own values, beliefs and assumptions. You will also understand why, when faced with an ethical dilemma, it is difficult to follow through with your best choice. This session is a pre-requisite to enroll in future "Train the Guide" sessions which would prepare you to assume the role of an ethics guide. **You must have taken Part III at least 6 month ago from the date of Part IV.**

Price: MCCA members - \$45.00. Non- members - \$90.00. Time: 9:00am-12:00pm

We will break for lunch from 12:00pm-1:00pm

Best Choices: Ethics Part I The first in the 4-part series explores the relationship among beliefs, values and ethics and how these impact your actions. This also broadens our understanding of others. This session is the pre-requisite for the other three parts of the ethical journey. MCCA provides participants with a certificate which tracks your journey through all four parts.

Price: MCCA members - \$45.00. Non- members - \$90.00. Time: 1:00pm-4:00pm

About our Presenters: **Jenn Cullen** is the director of Wawanesa Wee Care Inc. in Wawanesa MB. She has dabbled in many early learning programs, such as child care, nursery school and family resource. She enjoys going on the ethical journey with the variety of people she meets in the workshops, as well as the little people she works with every day, and continuously learns something new about herself! She believes in life-long learning, that there is good in everyone, and that it will always all work out in the end!

Shannon Curtaz is the Director of Winnipeg Montessori School. She has been working in the field of Early Childhood Education since 1997 as a front line ECE, a Supervisor and a Director. She believes that the relationships we form with all of the people who come in and out of our lives, both personal and professional, shape the person that we ultimately become and that therefore growth and learning is never ending.
