

Parkland's MCCA presents a full day of learning:

Date: Saturday September 22nd, 2018 Location: ACC Dauphin- 520 Whitmore Ave E, Dauphin MB

In Manitoba and Canada, those who work in early learning and child care environments have a Code of Ethics to guide our standards of practice. Using this code is a professional obligation. This four part series occurs in a specific order, with each workshop a pre-requisite for the following session. The series helps us to use this code in our daily practice and continues to receive rave reviews. Here's your chance to join us in some serious fun!

Best Choices: Ethics Part I: 9:00 am – 12:00 pm The first in the 4-part series explores the relationship among beliefs, values and ethics and how these impact your actions. This also broadens our understanding of others. This session is the pre-requisite for the other three parts of the ethical journey. MCCA provides participants with a certificate which tracks your journey through all four parts.

Cost: MCCA members - \$45.00. Non- members - \$90.00

We will break for lunch from 12:00pm-1:00pm cost will be \$10.00 per person

Best Choices: Ethics Part II: 1:00pm – 4:00 pm In the second session, the MCCA Code of Ethics is introduced as the field's core professional principles and how they are "lived" in our daily work. The code becomes our primary tool in ethical practice.

Cost: MCCA members - \$45.00. Non- members - \$90.00

Guides: Michele Grant has been involved in Manitoba's early childhood community for many years as an early childhood practitioner, centre director, adult educator and volunteer. She is a past board member of both the MCCA and the CCCF and is the chairperson of the MCCA Ethics Committee.

Shannon Curtaz is the Director of Winnipeg Montessori School. She has been working in the field of Early Childhood Education since 1997 as a front line ECE, a Supervisor and a Director. She believes that the relationships we form with all of the people who come in and out of our lives, both personal and professional, shape the person that we ultimately become and that therefore growth and learning is never ending.
