In Manitoba and Canada those who work in Early Learning and Child Care environments have a code of Ethics to guide our standards of practice. Using this code is a professional obligation.

Part IV – This capstone workshop will help you to make a commitment of ethical practice in your daily work and enhance your awareness of your own values, beliefs and assumptions. You will also understand why, when faced with an ethical dilemma, it is difficult to follow through with your best choice. This session is a pre-requisite to enroll in future “Train the Guide” sessions which would prepare you to assume the role of an ethics guide.

Facilitators: Jenifer Nick – Jenifer is an ECE and is currently the director of Riverside Daycare in Thompson, Mb. Jenifer has been in the child care field since 2006.

Sarah Nick – Sarah is from Thompson, Mb and is currently the assistant director at Riverside Daycare. She has been working in the child care field in a variety of positions since 2006. She is also the co-owner of Sister Party Rentals, where she brings the fun into parties for children and families in her community. Sarah has completed all four parts of Ethics, as well as the Train the Trainer program in Winnipeg to become an Ethics guide (completed in 2006), she looks forward to helping guide others on their journey into Ethics.

Christine Enns – Christine has over 25 years of experience in the field of child care education and is an Early Childhood Education instructor at UCN. Christine has facilitated Best Choices and has been on the Ethics committee since 2003

Cost: \$50.00 – MCCA Member
