### **BEST CHOICES: ETHICS PART III**

In Manitoba and Canada, those who work in early learning and child care environments have a Code of Ethics to guide our standards of practice. Using this code is a professional obligation. This four part series occurs in a specific order, with each workshop a pre-requisite for the following session. The series helps us to use this code in our daily practice and continues to receive rave reviews. Here's your chance to join us in some serious fun!

In this third session, the complexity of Best Choice decision making becomes more apparent. You will explore what should be considered prior to making the best choice when faced with ethical dilemmas. Using the Code, you will practice developing a mindful process of ethical decision making. **\* Please bring your ethics certificate and handouts from the previous ethics workshops with you to this workshop.**

**FACILITATORS:** **Michele Grant** has been involved in Manitoba's early childhood community for over 30 years as an early childhood practitioner, centre director, adult educator and volunteer. She is a past board member of both the MCCA and the CCCF and is a founding member and past Chairperson of the MCCA Ethics Committee. Michele believes that "you should live so that when your children think of fairness and integrity, they think of you". **H. Jackson Brown Jr.** and **Sheila Bogoch** is an ECE III. She has been employed at the Behavioural Health Foundation, a residential addictions treatment centre, since 1989, where she has fulfilled a number of roles including director of the on-site licensed daycare, parenting facilitator, counselling for adults and families, and facilitator of FASD education. Sheila is also a mother, grandmother, and long-time volunteer with Amnesty International.

**We will break for lunch from 12:00pm-1:00pm cost will be \$12.00 per person Veggie lasagna, salad, garlic toast, and dessert.**

**Price:** MCCA members - \$45.00 Non- members - \$90.00 **Time:** 1:00pm-4:00pm

### **JUST BECAUSE I CAN'T SING, DOESN'T MEAN I WON'T SING**

When someone walks into your centre would they hear the sound of children and adults singing together? If not this workshop is for you. Sing along with Melanie and Michele as they recall some of their favorite children's songs. This is a participatory workshop so plan on sharing some of you own "go-to" songs and finger plays. And yes, we'll provide a take-away songbook to jump start your musical trail back to your centre.

**FACILITATORS:** **Melanie Glaser** is an ECE II with over 25 years of experience. She is MCCA's workshop hostess. Melanie is passionate about early childhood education and believes that the secret for staying young is joy and there is nothing more joyful than being with children and **Michele Grant** "You sing a song and I'll sing a song" has been how Michele has lived her entire life. Sometimes to the embarrassment of her own children! She believes that through song we can give children a sense of joy and excitement as we celebrate the sounds of language.
