

Parkland's MCCA presents a full day of learning:

Date: Saturday November 16th, 2019 Location: ACC Dauphin- 520 Whitmore Ave E, Dauphin MB

In Manitoba and Canada, those who work in early learning and child care environments have a Code of Ethics to guide our standards of practice. Using this code is a professional obligation. This four part series occurs in a specific order, with each workshop a pre-requisite for the following session. The series helps us to use this code in our daily practice and continues to receive rave reviews. Here's your chance to join us in some serious fun!

Best Choices: Ethics Part I: 9:00 am – 12:00 pm The first in the 4-part series explores the relationship among beliefs, values and ethics and how these impact your actions. This also broadens our understanding of others. This session is the pre-requisite for the other three parts of the ethical journey. MCCA provides participants with a certificate which tracks your journey through all four parts.

Cost: MCCA members - \$45.00. Non- members - \$90.00

Best Choices: Ethics Part IV: 1:00pm – 4:00 pm This capstone workshop will help you to make a commitment of ethical practice in your daily work and enhance your awareness of your own values, beliefs and assumptions. You will also understand why, when faced with an ethical dilemma, it is difficult to follow through with your best choice. This session is a pre-requisite to enroll in future "Train the Guide"

Cost: MCCA members - \$45.00. Non- members - \$90.00

Guides: Chantel Colli is the Director Riverdale Community Daycare. The daughter of an ECE, Chantel has been immersed in Early Learning and Child Care since infancy. Chantel has worked in both rural and Brandon Centres, with all age groups of children. She has a passion for creating beautiful, inspiring spaces that allow children to explore and learn and is excited for the opportunity to be an Ethics Guide in the next chapter of her own journey.

Jenn Cullen is the Ethics Committee Chairperson and is the director of Wawanesa Wee Care Inc. in Wawanesa MB. She has dabbled in many early learning programs, such as child care, nursery school and family resource. She enjoys going on the ethical journey with the variety of people she meets in the workshops, as well as the little people she works with every day, and continuously learns something new about herself! She believes in life-long learning, that there is good in everyone, and that it will always all work out in the end!
