

Manitoba Child Care Association Parklands Branch ANNUAL GENERAL MEETING

Tuesday, June 3, 2025

6:30 p.m.

**Watson Arts Centre
104 1st Ave. N. W., Dauphin**

Guest Speaker: Mariann Harvey

Mariann Harvey is a passionate health and wellness advocate with nearly two decades of experience rubbing people the right way (as a massage therapist!). A former financial advisor (who clearly found a better way to make people feel good), Mariann is now a successful business person, bringing a wealth of knowledge and a holistic approach to well-being. For nearly two decades, she's also been a serious devotee of yoga – so she's not just flexible in business, but in body and mind too. When she's not busy helping others find their zen, Mariann enjoys a vibrant life filled with acting, improv (because laughter is the best medicine), outdoor recreation, motorcycle adventures (vroom vroom!), and chilling at her lake cabin. A lifetime resident of Dauphin, she cherishes time spent with friends and family. Her motto: "Live everyday" – and she clearly does!
