

Parklands Manitoba Child Care Association
is pleased to offer

FISH

The Fish Philosophy is a workplace culture approach inspired by the Pike Place Fish Market, focusing on creating a positive and engaging workplace through four core principles:

“Choose Your Attitude” “Play” “Make Their Day” “Be There”.

You say you’ve taken this workshop already? If you are finding that your FISH may be starting to float belly-up, then take the workshop to refresh your team.

Thursday, November 27, 2025 9:30-3:30

(Lunch break, on your own, will be 12-1 p.m.)

Assiniboine College, 520 Whitmore Ave. E., Dauphin, MB

With Cindy Schroeder, ECE III – With over 45 years of experience in the field of early childhood education in Manitoba, Saskatchewan, and Alberta, Cindy has held positions with no experience, to an ECE II, Centre Director both on and off reserve, Day Care Coordinator, and College Instructor. Currently in her 19th year with Assiniboine College in Dauphin, she remains dedicated to advancing quality early learning and supporting the next generation of educators.
