

The Manitoba Child Care
Association

MANAGING AND LEADING IN THE CHILD CARE SECTOR 2.0

WHAT:

Managing and Leading 2.0 is a five-day training event for Executive Directors (1-5 years) new to the position and for Assistant Directors who will be moving into the Director role. The topics are management specific, for example, there may be a session on communication, feedback, team building, finances, etc.

WHEN:

The training will take place over five days in March 2026.
Dates: March 16-20. You must be able to attend all five dates.

WHO:

Executive Directors who have been Directors for 1 – 5 years will be the first priority. Assistant Directors who will be taking over the Executive Director position within 1 – 3 years will be next, and then the third consideration will be Executive Directors who have been a Director for 5+ years.

There are 25 spots and applicants must be a personal member of MCCA. Directors who have taken a previous Managing and Leading training are not eligible at this time.

COST:

The majority of the registration fee is subsidized by the Winnipeg Foundation so the cost to participants is \$325.00 for the five days of training, which is a great deal! Lunch is included.

PROCESS:

- Eligible Directors/Assistant Directors submit an application.
- Deadline for applications is December 22, 2025.
- Applications are reviewed and 25 participants are selected.
- Confirmation letter and invoices for \$325.00 will be emailed in January.
