

Child Care Directors face HR issues every day. But you shouldn't have to do it alone.

We know the reality:

most child care centres don't have the time or tools to run HR the way they'd like to.

That's why we built Directors Desk.

These HR Gaps are Common. But They Don't Have to Be.

UNSYSTEMATIC HIRING

Without a clear hiring process, confusion sets in. We give you structure, templates, and tools for confident, consistent recruitment.

Lack of Performance Feedback

Feedback is kind, and essential. Our Directors Desk tools and support make feedback conversations easier.

POOR ONBOARDING

Thrown-together onboarding leaves staff feeling unsupported. We help you create a strong first impression that sets your team up to thrive.

DATED, NON-COMPLIANT DOCUMENTS

Using old documents can put your centre at risk legally and operationally. Our tools are always current, compliant, and designed for child care-specific needs.
