

**Manitoba Child
Care Association**

PERSONALIZED PROFESSIONAL DEVELOPMENT

Frequently Asked Questions

So, what **IS** personalized PD anyways?

Personalized PD is a workshop planned and organized **by MCCA** for your centre specifically.

Example: The entire team is interested in participating in a workshop on risky play, with a focus on learning about and exploring how it applies specifically to your program and the children in your care.

How do we request this service?

We have created a new **form**, now **found on our website under personalized professional development** to house all of these requests, click the link, enter all information, & once a request is received, you will hear from Karen or Kayla to finalize your booking details and be forwarded a formal agreement to be signed.

What if we want to host our PD somewhere else?

MCCA has many different venues we work with, **there is an option to select a venue** other than your centre, some programs even choose to **have their PD at MCCA** so their team can have a tour of their office and add on an info session about Unpacking your MCCA Membership.

*alternate venues do carry additional cost

Do I need to be an MCCA Member to use this service?

No, Members and Non-Members are able to use this service. Like all MCCA services, **Members receive reduced pricing and priority of bookings, dates & facilitator requests.**

How is the topic of the PD chosen? Will you give me options to pick from?

MCCA does not provide multiple topic options prior to booking. Our approach is to **move forward once we have a comprehensive understanding of what the centre is looking for.** After reviewing your intake form, we may follow up with clarifying questions to **ensure the professional development topic is aligned with your team's goals, priorities, and context.**
