

MEMBER BENEFITS UPDATE

More money for your eye care.

Good news — we are increasing the Vision Care maximum.

Here is what is changing and what it means for you.

EFFECTIVE JULY 1, 2026

Eyeglasses

Contact Lenses

Laser Eye Surgery

You may get the extra \$80 on your next vision claim, or in some cases the full \$200 — it depends on when you last used your vision benefit. See the examples below.

HOW IT WORKS

Your vision benefit resets every 24 months from the date of your last claim — not on a set calendar date. So your next claim date is personal to you. The two examples below show what you might receive after July 1, 2026.

EXAMPLES

You claimed recently — you may get a top-up

This member claimed in July 5, 2025. Their benefit does not reset until July 4, 2027. As \$120 has already been used this period, there is a remaining \$80 available toward a vision claim.

Date	Service	Charge	Paid	Benefit Period
Jul 5, 2025	Lenses	\$450.00	\$120.00	Jul 5, 2025 — Jul 4, 2027
Jul 7, 2026	Lenses	\$400.00	\$80.00	Jul 5, 2025 — Jul 4, 2027

Your benefit has reset — you get the full \$200

This member's last claim was Feb 10, 2024 and their 24 month period ended Feb 9, 2026. A new claim on July 25, 2026 pays the full \$200.

Date	Service	Charge	Paid	Benefit Period
Feb 10, 2024	Lenses	\$350.00	\$120.00	Feb 10, 2024 — Feb 9, 2026
Jul 25, 2026	Lenses	\$450.00	\$200.00	Jul 25, 2026 — Jul 24, 2028
