

Code of Ethics

Early Childhood Educators

- Promote the health and well-being of all children.
- Use developmentally appropriate practices when working with all children.
- Demonstrate caring for all children in all aspects of their practice.
- Work in partnership with parents, supporting them in meeting their responsibilities to their children.
- Work in partnership with colleagues and other service providers in the community to support the well-being of families.
- Work in ways that enhance human dignity.
- Pursue, on an on-going basis, the knowledge, skills, and self-awareness needed to be professionally competent.
- Demonstrate integrity in all their professional relationships.

The MCCA Code of Ethics represents agreed upon values, principles, and standards of practice for those who have chosen to work in the field of early childhood education in Manitoba. The MCCA offers the 4 part series to empower members to live these principles in their daily practice.
