

# PROFESSIONAL DEVELOPMENT EVENING

## UNDERSTANDING TRAUMA, ASSESSMENTS AND DIAGNOSES

What to look for, common resources and how to help families

Central Region MCCA invites you to join us for a night of professional development. When faced with concerning or confusing behaviours in a child, one often wants to have outside consultation. This workshop focuses on the kinds of assessments, some gains and limitations, and the types of diagnoses one might receive for a young child, and most importantly how to help the family as they adjust to the outcomes of these.

**Thursday June 20th at Westpark School**

**Food served from 5:30 - 6:00 pm**

**Workshop runs from 6:00-9:00 pm**

**Fees:**

**Member: \$ 25**

**Non-Member: \$ 50**
